

March 3, 1977

LB 266, 45, 46, 98, 304

SENATOR DECAMP: I can't say yes or no.

SENATOR KEYES: You don't know whether a bank will be able to purchase SID bonds and use them.

SENATOR DECAMP: As I said, I don't know the nature of SID bonds. I'll have to check that out. You know there are a gillion different kinds of bonds. I'd have to see what SID bonds, I'm sure there are different kinds of SID bonds and kind of guarantees and...

SENATOR KEYES: SID bonds, they're guaranteed by the property in which is encompassed by the SID. Would you say that they would be in that category...

SENATOR DECAMP: My top of the head answer is no. The way you described them, they wouldn't.

PRESIDENT: The question is the advancement of the bill. Record your vote. Please vote. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: The bill is advanced. LB 266.

CLERK: That's just what we advanced.

PRESIDENT: LB 45.

CLERK: Read LB 45. There are no committee amendments or other amendments pending.

SENATOR MURPHY: Mr. Chairman, the next three bills are essentially tied together. There is no way in the world to get through this and I would ask unanimous consent to bracket them to March 9.

PRESIDENT: Is there an objection? Seeing none, it's so ordered. LB 46. All three, Senator Murphy? Objection? Seeing none, it's so ordered. (LB 98 bracketed.) LB 304.

CLERK: Read LB 304. There are no committee amendments or other amendments pending.

SENATOR KEYES: I just move for the advancement of the bill. This bill has one thing that it corrects. When we found out that it introduce the merit system in Sarpy County, we could not have a five-man commission because we did not have the right offices to fill it. Now it's a three-man commission. We have the offices. I'd move for the advancement of the bill.

PRESIDENT: Senator Wally Barnett.

SENATOR BARNETT: Question of Senator Keyes. Does this bill affect Lancaster County?

SENATOR KEYES: I don't think it affects Lancaster County, if it's above so many hundred thousand people.

SENATOR BARNETT: It's not, that's the question I've got.

SENATOR KEYES: If this bill affects Lancaster County, then Senator Kelly's bill that went a week or so ago did exactly the same thing.
